## *Capecodhiphop.com User Testing Survey*

Thanks for agreeing to participate in this website survey. The point of this survey is to get your take as an evaluator of this site

and to complete a couple of scenarios. My goal is to see how easy or difficult the site is to use. All six pages are finalized, Home, About Us, Classes, Registration, Show Info and Contact Us. Also, the registration form does not actually submit your input. Nevertheless, feel free to test the links and navigation elements. Fill out the form and pretend to submit it. Remember, this is not a test of YOU, but rather a test of the SITE. Don't worry, there are no right or wrong answers here. Just be honest, and thanks again for participating!
